

Mother Comes and Goes

Mother has all the business sense
Stocks in AT&T
Goes to places like Paris, France
And sometimes sends for me

Mother comes and goes, often telephones
Knows nearly everyone there is to know
And I'm always packed 'case she sends for me
Today - I might have to fly TWA

Mother goes to Virginia
Here's what she likes to do
Takes her lawyer along with her
From Madison Avenue

Mother comes and goes, often telephones
Knows nearly everyone there is to know
And I'm always packed 'case she sends for me
Today - you never can tell when I might go away

Mother shops at designer stores
Always stylish and chic
She's invited to grand affairs
Each and every week

Mother comes and goes, often telephones
Knows nearly everyone there is to know
And I'm always packed 'case she sends for me
Today - you never can tell when I might go away

I might have to fly TWA
You never know with Mother but I love her anyway
